REMINDERS!

Without a doubt the snow has been falling! We want to be sure the sidewalks are clear for everyone. When parking your car, please be sure it does not hang over the sidewalk area. Thanks for everyone's help!

Remember to keep your heat at 50° when you leave your apartment to avoid broken or frozen pipes.

CAN FOOD DRIVE

Landmark and Stone Creek Apartments are having a holiday can food drive. Please help us fight hunger in Northern Colorado and donate can food. The food drive box is located in the front Leasing Office and will be there until Dec 7th. The winner who donates the most cans will win pizza and a movie for two on us.

PAY RENT ON-LINE!

For your convenience you can pay your rent online through our website: www.landmarkapartments.net. Use your checking account, credit/debit card (fees may apply), or set up automatic withdrawal! Stop by the office with any questions or for details!
